

Things to donate to your re:MADE Store

We take anything of high quality. We like unique, cool things that we can repurpose, vintage or retro items and wood furniture.

We do not accept exercise equipment, couches that needs to be reupholstered, TV's, electronics, and appliances.

We like cool new and old vintage style items and we would love to take everything anyone wants to give us BUT we just can't - we have limited volunteers that have to sort everything that comes in. So please pick the following style items out of your load and share them with us.

Vintage Items

Maps, Alaska items, keys, suitcases, jewelry, cigar boxes, lamps, fishing lures and gear, toys, records, linens, signs, bikes, crocks, machines [gumball, candy, coke, vending]
